

NEONATAL NURSES ASSOCIATION

CAREER FRAMEWORK FOR NEONATAL NURSING

Amanda

NEONATAL INFANT
FEEDING COORDINATOR

I trained as a child branch nurse and knew I wanted to work in a neonatal unit as a student.

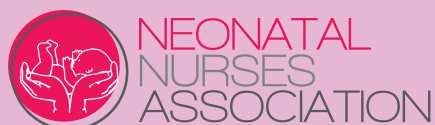

This is my dream job, and I love supporting families and my colleagues. Seeing a colleague deliver support to parents that they learned on my teaching update and the pride in a mother's face when she collects a drop of colostrum for her preterm or sick baby are experiences I never tire of.
