# CAREER FRAMEWORK FOR NEONATAL NURSING

*Rachua*

NEONATAL NETWORK  
NURSE EDUCATOR

I'm a neonatal nurse. I completed my BSc in Nursing in India. I've been fortunate to work within the NHS since 2010.

In my role, I work to identify the training needs of neonatal staff. I collaborate with the Network and our educator teams to design and deliver training programs. I also discuss training gaps at national meetings and work with other neonatal networks and maternity colleagues to put together training days for staff.
